

Southern Crescent Association for Professional Child Care

Invites YOU to Become a Member!

Did you ever wish you had someone to talk to who understands what you do everyday? Would you like to network with other providers, especially someone who cares for them in their home like you do? Wouldn't you love to meet members and get your required training decal hours at the same time? Well, we've got your answer!

We're a group of current and former family childcare providers in the Southern Crescent area of Atlanta, Georgia. We have members from the Henry and Clayton County area who meet monthly to:

- Share Ideas & Discuss Solutions
- Network & Market Business
- Learn News & Upcoming Events
- Get DECAL & CPR/First Aid Training
- Educational degree/certificate opportunities
- And Much More!

Our Mission: To provide a nurturing supportive atmosphere where providers can work together and learn from each other as we strive to ensure top quality care and early childhood education for children in the Southern Crescent area.

Membership is open to those in all areas of childcare and early childhood education without regard to race, religion, sex, ethnicity, special needs or economic status. Meetings will be held on the 4th Saturday of each month, at 1pm. **Effective January 1, 2009 Membership fee will be \$40 per calendar year (January 1 - December 31)**, and you receive a monthly newsletter telling you about future programs, training classes offered, sponsorship to approved training, equipment for sale, and other topics we're interested in. ***SCAPCC will honor \$25 membership fee for the months of September to December 2008 only.***

We'd love to meet you and have you as a member of our support network.
