**FIRE MARSHALL** I have gotten calls from members in the Clayton county area that they have been inspected by the fire department for compliance. Make sure that you have your documents in order. They also requested to see the provider's fire drill routine and check fire extinguishers.

**CPR & First Aid** training available by our Lois Walker but she must have a minimum of 5 people to conduct training. Call her at 770-473-4564 or email with subject heading "**CPR & FIRST AID REQUEST**" to [walkerld\\_2000@yahoo.com](mailto:walkerld_2000@yahoo.com). You do not want to be caught without having it.

**GAYC** New providers who are in need of training can take advantage of the GAYC Health and Safety Super Saturday for Beginning Child Care Teachers. The training will be held on March 13, 2009 at The Georgia International Center, Atlanta (Near Airport). Please see the

attached flyer from GAYC. The requirements for new providers are included on the GAYC registration form.

**Inspectors are out!** To stay in compliance with Bright From the Start (BFTS) Family Day Care Rules view a copy of the rules at the following location: <http://decal.ga.gov/documents/attachments/FDCHRulesAndRegulations.pdf> They do want to see a copy of this document on file. Currently, there is not listed a standard template but as long as you address the topics in this link you should be fine. This new contract/policy takes the place of the parental handbook.

**NAFCC Info** SCAPCC will be applying for Association Membership with NAFCC in the coming weeks. This status is reserved for state and local family child care association.
